Thanks again to Dave Reed for being ready and waiting to help with the tent and flags at every meeting, as well as supporting the athletes.

At the third Sparkhill Harriers' awards evening, we look forward to celebrating the successes of our young athletes this cross country season as well as during the 2018 track and field season. Look out for details on the website.

Midland Cross Country Championships, 26 January 2019: Newbold Comyn, Leamington

Four junior athletes took part in the Midland Cross-Country Championships held at Newbold Comyn in Leamington.

The new (golf) course was firm but claggy underfoot with some demanding slopes. The Sparkhill girls both had strong starts, while the boys – the two footballers – had strong finishes.

Alice and Lola also competed in the Warwickshire Cross-Country Championships earlier in the month and, last year, Alice was our sole representative in the Midland Cross-Country Championships.

Fourth league race, 13 January 2019: Abington Park, Northampton

Six of our junior athletes competed at the fourth **West Midland Young Athletes' Cross-Country League (wmyaccl.com) 2018-2019** meeting in unseasonably mild temperatures around the fields and paths in Abington Park, which included some testing slopes.

Full race results can be found at wmyaccl.com – including team points; please remember that results received on the day may be altered.

Tom and Lola had much improved performances and Layla had a fast start and a good finish, while Aoife's solid performance won her number-one spot for Sparkhill's U11 Girls. Meanwhile, Alice won her uphill sprint finish showing her true competitive spirit.

Thanks again to Dave Reed for his constant help and support and, with extra help from Grace, Emma and John Goulding, light work was made of the start and finish flags. Also, a big thank you to parents for encouraging their youngsters and transporting them to this more distant venue.

The final league meeting will take place at Aldersley Stadium, Wolverhampton on Sunday 10 February 2019. Before that, on 26 January, some young athletes will be competing in the Midland Championships.

County Cross Country Championships, 5 January 2019: Newbold Revel, Rugby

Four of our junior athletes took part in the Warwickshire Cross Country Championships at Newbold Revel in Rugby.

The new venue presented Lola with a course comprising fields, lakeside paths and woodland tracks; Alice was set an additional challenge of running around arable fields, while the U17s and U20s experienced the testing climb on an otherwise flat course. Sparkhill Harriers were represented in each age group as follows:

Position	Athlete	Time	Category	Approx. distance
12 (32)	Zac Minchin	21.34	U17 Men	6000m
13 (33)	Dylan Sudworth	21.35		
27 (38)	Alice Stewart	25.24	U15 Girls	4000m
12 (14)	Lola-May Smeulders	13.41	U13 Girls	3000m

Worcestershire clubs were also participating, so position in brackets is overall position in the race.

Lola was shortlisted for the Inter-Counties Cross Country Championships in Loughborough on 9 March, and Zac and Dylan had a closely fought battle as they sprinted into the finish together.

Third league race, 9 December 2018: Perry Park, Birmingham

Ten of our junior athletes competed at the third **West Midland Young Athletes' Cross-Country League (wmyaccl.com) 2018-2019** meeting around the flatish fields and paths at the back of Alexander Stadium. Football and West Midlands Schools commitments prevented us fielding a dozen runners. Our competitors experienced drizzle, sunny spells and blustery, tent-testing wind, which at least put paid to some ominous black clouds.

Position	Total appearances this season	Athlete	Time	Category	Approx. distance
38	3	Emma Stringer	21.36	U17 Women	4000m
33	2	Zac Minchin	18.56	U17 Men	4800m

76	3	Aoife Gallagher	8.18	U11 Girls	
124	2	Lucy Hodges	9.37		
108	2	Rebecca Hodges	9.02		
46	2	Layla Wall	7.50		

Full race results can be found at wmyaccl.com – including team points; please remember that results received on the day may be altered.

Well done to the U11 Girls who improved their team position by two places, finishing 12th out of 19 teams (Sparkhill Harriers are currently 19th out of 20 teams after three race meetings). Finishing strongly, both Lucy and Rebecca gained places up the dog-leg finish.

A special mention should be made about our lone runners - competing without the support of teammates – one of whom, Alice, won her battle with a group of girls by moving ahead of them during the second lap of the final race and staying ahead around the lake.

Finally, many thanks to Hilary, Rob and Ambrose who helped throughout this meeting as marshals.

The fourth and penultimate league meeting will take place at Abington Park, Northampton on Sunday 13th January 2019 and, before that, the Warwickshire Cross-Country Championships will be taking place on 5th January for U13s and over.

We look forward to celebrating the effort and achievement of our Club's young athletes at Sparkhill Harriers' Awards Evening at the end of this cross-country season.

Second league race, 18 November 2018: Warley Woods, Smethwick

At the second **West Midland Young Athletes' Cross-Country League (wmyaccl.com) 2018-2019** meeting, Sparkhill's junior harriers raced around the undulating course under a bright-blue sky at Warley Woods. Ten young athletes ran on Sunday, three of whom were running their first ever cross-country races: Leyla, Lucy and Rebecca, while Emma competed in her twentieth league race.

Position	Total appearances this season	Athlete	Time	Category	Approx. distance

42	1	Leyla Wall	8.14		

Full race results can be found at wmyaccl.com – including team points; please remember that results received on the day may be altered.

Having a team of four girls in the U11s' race resulted in us achieving 14th position out of 19 teams in that race. Well done to all our athletes, competing hard for Sparkhill Harriers across the age groups.

Thank you to Rob Mills and Dave Reed, for continually supporting the young athletes at each meeting, and a special mention to Dave for helping to set up and clear away the start and finish flags. Furthermore, thank you, parents, for encouraging and transporting your youngsters.

The third league meeting will take place at Perry Park on Sunday 9th December.
